RE: San Juan County Comprehensive Plan Update
Reference: #22-0001

Dear Planning Commissioners and Staff,

Thank you for the opportunity to comment on the Proposed Zoning Change #22-0001.

We would like to express that the industrial zoning being considered for this site is too broad, allowing many difficult to site and potentially noxious uses. While County infrastructure and commercial uses are needed on Lopez Island, we do not believe that this zoning category is appropriate.

If allowed, this zoning would result in incompatible uses sited within close proximity to quiet, residential areas.

We oppose passing this broad re- zone at this time and suggest a more select and focused zoning overlay for this site.

Thank you for your consideration,

Michelle Sosin and Lanie McMullin
